Gayatri Rajagopalan

Data Analytics | AI, LLM | SQL, Python, Tableau | Ex-Nokia |
Telecom & Operations Analytics
San Francisco Bay Area

Summary

Experienced telecom and operations professional (12+ years) transitioning into data analytics and business analysis. Skilled in Python, SQL, Tableau, and Excel, with hands-on experience in analyzing datasets, building dashboards, and automating reports through coursework and personal projects.

Proven ability to work with cross-functional teams, document processes, and optimize workflows to improve efficiency. Certified in Data Analytics & Visualization from UT Austin, with practical experience in data cleaning, analysis, and visualization projects. Seeking opportunities in Data Analyst or Business Analyst roles to apply technical and analytical skills to support data-driven decision-making.
